### **Old Moorings Social Club and the Byron Close Arches**

Verity Jane Keefe gave an update about progress with plans for the Old Moorings Social Club and Byron Close Arches. Her presentation will shortly be available on the Moorings website.

Verity is keen to set up a steering group of Forum members (and others) who wish to play more of a role in understanding and contributing to the plans. We would hope that this group is seen as representing the views of the Forum and is able to feedback to the Forum the progress of the plans. Please could you let Verity [hello@verityjanekeefe.co.uk](mailto:hello@verityjanekeefe.co.uk) and Giles Piercy, [gilespiercy@localitymatters.co.uk](mailto:gilespiercy@localitymatters.co.uk), 07710 381 436 know if you would like to be part of the group? Verity is particularly keen to have representation from the following groups:

1. Young person (under 25)
2. Faith Leader
3. Shopkeeper
4. Gardening (for Landscape / Arches / Outdoor spaces)

### **Budget**

Giles Piercy gave a brief update about the budget discussion that had recently taken place with a subgroup of the committee. The Forum has approximately £15,000 of available budget, if we assume that further funding is likely to be available from Locality. In summary the subgroup set out the following priorities for the Forum over the next 12 months and indicated areas of spend that would likely be required to deliver these priorities:

### **Priorities**

1. Achieving some quick wins related to the priorities that emerged as part of the consultation carried out last year
2. Work in conjunction with local groups to find ways to support different activities. For example, the Forum might sponsor something at the festival or might offer a grant of £500 available to any youth group that has a good idea
3. To meaningfully influence the plans for the old Moorings Social Club and Byron Close Arches
4. To substantially raise the profile of the Forum over the next year
  - a. Better website
  - b. Clearer branding
  - c. Attendance at events
  - d. Merchandise (e.g. T-shirts, Fridge Magnets etc)
5. Have moved closer to developing a Neighbourhood Plan
6. Have a clear budget and funding in place for the 2020/2021 year

Likely areas of spend - all to be discussed before budget is approved

#	Item	£
1	Consultancy support	£7,500
2	Food	£2,000
3	Promotion	£3,000
4	Supporting events	£2,000
5	Contingency / what already spent	£500
	<b>TOTAL</b>	<b>£15,000</b>

Dave Rugg asked if further details about the budget discussions would be available to Forum members. Giles Piercy said that yes this would be presented at future Forum meetings and would be available on the website.

Steve asked the audience if they had noticed an improvement in recent months - and overwhelmingly they confirmed that they had.
